Minutes of the Meeting:

1. Welcome and Opening Remarks

The Chairperson welcomed all members and appreciated the progress made since the last meeting. The importance of coordination and quality improvement was emphasized.

2. Review of Previous Actions

The Member Secretary presented the action taken report. Faculty training sessions and departmental coordination activities were found to be effective.

3. Curriculum and Training Progress

Members noted that curriculum implementation is progressing smoothly. Case-based learning and interactive teaching methods were encouraged.

4. Vision and Strategic Planning

The updated vision document was discussed and suggestions for digital integration and academic excellence were recorded.

5. Inter-Departmental Coordination

It was observed that coordination between departments has improved. Further strengthening of communication channels was suggested.

6. Healthcare and Research Initiatives

The Council approved organizing health camps and promoting collaborative research activities with reputed institutions.

7. Infrastructure Improvements

The need for upgrading meeting room facilities and audio-visual systems was discussed and approved.

8. Academic Audit Report

The audit report preparation was reviewed and found to be progressing satisfactorily.

9. Any Other Matters

Student feedback mechanisms and faculty development programs were proposed for implementation.

Resolutions Passed:

- Adoption of case-based learning methods
- Approval of healthcare outreach programs
- Approval of infrastructure upgrades
- Formation of research collaboration committee
- Development of student feedback system

Vote of Thanks:

The meeting concluded with a vote of thanks by the Chairperson appreciating all members.
